To qualify for MIIX Referral membership, you must be an individual and provide the following materials applicable to your profession, along with your completed application: (i) a copy of your business license or business card; and (ii) your company website or social media page.

MEMBERSHIP

Membership is non-transferable, and misuse may result in termination. Misuse includes, without limitation: using the referral discount for personal purchases, any resale of merchandise purchased using the referral discount through any retail outlet (e.g., resale on or through any retail or auction website or store); reimbursement of referral discount upon merchandise return; transfer of membership; and submitting false, expired, or misleading information in connection with a membership application. If the member would like to pass the discount on to the client, MIIX will have to get an approval by the member through the phone at the time of purchase. MIIX reserves the right to change the list of eligible items at its sole discretion without notice.
